

Welcome from the Parent Association

Dear Parents,

The BCA and WPS Parent Association extends a warm welcome to all school families! The Parent Association is an all-volunteer organization that supplements outstanding academics with enriching programs and materials, which support the development of well-rounded students. Over the years, the Parent Association has played a crucial role in providing enriching programs and events such as: art programs/contests, educational seminars, science, poetry, and social events; entertaining/fun parties, classroom support, technology enhancement, library upgrades, music instruments funding and supporting the health of our children through investments in Physical Education (PE). We are funded through membership dues and our Annual Gala Fundraising. The Parent Association proudly serves both Bellevue Children’s Academy and Willows Preparatory School.

We’re able to accomplish so much through the generous gifts of time, talent, and donations from our school families. Volunteer parent committees are a wonderful way to take an active role at school, meet other parents, and have fun! We invite everyone to find a volunteer opportunity that matches your interest and availability.

Please indicate your selection when you complete online registration for your student(s) in late August. Note that classroom Party Room Parents and Annual Gala Room Parents will be designated during Curriculum Night.

Sincerely,

BCA Parent Association Board of Directors
